DEPT. OF TRANSPORTATION

Dear DEPARTMENT OF TRANSPORTATION,

I would appreciate if you would consider my application. My record speaks for itself. I am an excellent and safe driver. For the past 14yrs I have been driving for Indiana's Highway Department of transportation and have had no record, pass or present, of accidents or traffic violations. This is also true outside of my job affairs. I consider myself a valuable asset to the company seeing that I am both reliable and dedicated to my job and its duties.

It is also necessary for me to have my CDL license since I am a major support to my family. At this point this is my only means of provision for them.

Sincerely,

Oskia D. Johnson
